Some particulars about the Horse statue set:

- The piece shown here is a set of horses.
- The sculpture is made out of Brass material widely known as Dhokra art of Odisha.
- This Dhokra casting is essentially folk art of Odisha.
- The metal used for this casting is brass followed by the lost wax method. Dhokra metal casting is not only the craft of Orissa but it is also found in Madhya Pradesh, Bengal, and Bihar.

Where and how to place the Dhokra art horse statue set:

- Never underestimate the power of a good built-in shelf, where you can showcase the art piece spaciouly.
- Adding some cute Dhokra art to your floating or hanging shelf instantly brings a simple refreshment to any room.
- Don't be afraid to go for an eye-catching foyer and entryway design with the horse statue.
- It's such an easy way to complement your home decor by keeping it on any tabletop of your home or office.
- Display it on any china cabinet or any glass cabinet just pick a look that suits your personal style and you're spot on.
- An original artwork tells an unusual story, like this set of horses which can be gifted on any occasion.

Boons of keeping set of a horse at home:

- According to Vaastu Shastra, horses represent energy. It is said that the sheer sight of them pushes you to move forward in life and they help you achieve prosperity, health, and happiness.
- One should keep a pair of horses in the bedroom of a house it is said that this improves the relationship between a couple. You should also make sure that the horses are always even in number.

Tips for cleaning brass items at home:

- Firstly, apply the toothpaste to the brass items using a clean cloth.
 - After that, scrub the brass with an old toothbrush until you remove the dirt.
 - Repeat the process if it is needed for heavily tarnished items.
-
