An eyeeful stone sculpture:

- A simple yet beautiful flower engraved sculpture. The rugged finish gives it an age-old illusion.
- It is made out of a single stone engraving with a heavy base suitable for batter stability.
- The enchanting structure is made by the efficient artisan of Odisha, where stone carving is famous internationally for its intricate design and unique engraving.

Where to place the stone sculptures:

- You can even engrave it on the wall of your restaurant, hotel, and home.
- The sculpture may install with the flooring of your home, hotel, restaurant, and hotel.
- Gift your loved one the eyeeful decorative stone on their special occasion.

Guide for cleaning the stone sculptures:

- The decorous statue is made of Sandstone material.
 - Sandstone is very durable and weather-proof.
 - Dust it with the help of a piece of cloth or a small brush over the surface.
 - Dusting should be followed periodically, to keep the dirt away from the surface of the decorative stone.
-
