And the pioneer of Buddhism. He was raised and brought up with wealth and richness, away from any reality a man face during his life. But when he encountered the reality it makes him distressed to the core, that no wealth can save anyone from getting old, falling sick, and death. So he stepped out from his lavish life and make his journey to find a way to free oneself from the suffering of the universe. Which he found six years later, under a Bodhi tree, by meditating deeply. And spent the remaining life teaching others, about his findings. He gave his first sermon in Sarnath, to his dispels. Which include the four noble truths and the eight-fold path.
