### Product Description

The unique Jagannath statue of Narayana Veshha 8 ft statue is a traditionally inspired aesthetic with an elegantly chiseling structure in a brief detailing. The earthy tone makes an excellent focal point of any décor. **Material:** Sandstone / Khondalite Stone **Dimension(HWL):** 96 x 48 x 20 inch **Height:** 8 ft **Position:** Standing Statue

#### The goodly Jagannath effigy:

- It's an effigy of Lord Vishnu with the face of Lord Jagannath depicting the Narayana Avatar of Lord Jagannath.
- Standing over a two-layer pedestal chisel with all sorts of ornaments all over his body.
- Seen holding the Sudarshana Chakra, conch shell, mace, and Abhay Mudra in his four hands.
- The complex sculpt is made by the proficient artificer of CRAFTS ODISHA, where stone carving is globally popular for its intricate carving and design.

#### The Lord of the Universe: Jagannath

- Lord Jagannath is considered to be one of the Avatar of Lord Vishnu.
- Jaga means world and Nath means Lord, so, he is considered as the lord of the world.
- According to many Vedic books, mention that Jagannatha is Krishna.

**Suggestion and directions while placing the stone sculptures:**

- It is favorable to install the structure in the north or northeast corner, facing him to the east.
- An ideal option to place in temples for worship.
- The potent stone sculptures can be used in outdoor placement like the entrance of the shrine, gate of any holy pilgrimage.

**Benefits one will get by keeping the divine statue.**

- Keeping sacred statues and worshipping them with a pure heart is believed to fulfill the wishes of the devotee.
- Any obstacle coming into life is easily removed by keeping the idol.
- Having the divine vision of the Lord will bless them with proper consciousness and award spiritual liberation.

**How to clean the decorative stone:**

- The beautiful decorative stone is made out of Sandstone.
  - Sandstone is not only durable but also weather-proof.
  - Wipe the statue with a piece of cloth or broom over the surface.
  - Keep it dusting periodically, so the dust would not make compile over the surface.
-
