Product Description

"Ekadantam Mahaakaayan, Taptakaajnchanasannibhamh Lambodaram Vishaalaaxam, Vandeaham Gananaayakamh"

The shloka means that, Obeisance to Lord Ganesha, the one tusked (symbolizing sacrifice), huge-bodied(having big heart), big-bellied (symbolizing one who can digest all good and bad of life), and large-eyed God(one who is observant), whose complexion is like that of molten gold. I surrender myself to such great lord. This Ganesh statuette is well known to grace your house and office with all good luck and prosperity. It will bless you with wisdom and knowledge and bring home peace and love.
