### Product Description

The Reclining Buddha is also known as the Nirvana Buddha. This statue depicts the lord Buddha in the last moments of his life on earth, Because the Buddha had gained enlightenment in his lifetime; the Buddha was able to escape the endless cycle of birth-death-rebirths and was able to enter Nirvana. In this pose, the Buddha is always depicted lying on the right hand side on top of a resting table. This pose depicts peace, so bring home this eternal beautiful posing Buddha and embrace your house or office premise with happiness and love.
