Product Description

This statuette is made out of sandstone which is very porous and water will penetrate it easily. Available in a variety of surface textures and earth-toned colours, sandstone makes out the best of statues and this statue is a bright example of it. In Indian mythology, apsaras are beautiful, supernatural female beings. They are youthful and elegant, and superb in the art of dancing. Here the apsara is portrayed beautifully dancing with graceful *bhanga* (posture) with one hand above head and other hand over waist. Bring home this mesmerising statuette to decorate your office and enhance the beauty of your house premises.
