Product Description

Here Lord Krishna is depicted standing without clothes which do not depict nudity but represents a life cycle of human which he was living. Lord Shri Krishna is an incarnation of Lord Vishnu but was living a life of a human bearing every emotion, every feeling, attachments, and pain. Lord Krishna here is presented standing in tribhanga pose with his two hands lifted in form of holding a flute. So bring home this mesmerising statuette to brighten up your life and your environment with happiness and prosperity.
