Product Description

Lord Ganesha in this statue is depicted in a reclining position inside the conch. The lord is carved out beautifully in a soap stone with proper definition on the design. Lord Ganesha is depicted with two hands here one resting on his knee other on pillow beside him. It symbolizes luxury, comfort, wealth and prosperity. When Lord Ganesha is shown in this form it gives a very royal and divine look. Lord Ganesha is believed to be the bestower of success and boon and on being worshiped with dedication and devotion showers royalty, prosperity, knowledge, harmony, peace and love. This beautiful masterpiece can be placed in your office table, or for decoration in house or inside car. The lord will not just beautify your surrounding but will also protect you from evil. So bring this statuette home to protect your family and loved ones from evil and remove obstacles and progress in path of prosperity.
