Garuda Statues

Product Description

Garuda is the mystical bird who is the mount of the preserver of the universe, lord Vishnu. Garuda has a body of a huge muscular human, and feathers of a Vulture, and beak of a bird. The Garuda is beautifully sculpted on a black stone with precision and is perfect to be placed inside your temple in front of the lord. Garuda is a symbol of power, heaven and force and is a strong enemy of snake who is the symbol of death. Here the Garuda is presented with his wide wings and folded hand, knelt on his one knee and other resting on ground. This beautiful statue can enhance the beauty and piousness of your house and enrich the surrounding with spirituality. It is a bright example of the artwork with brilliance of the craftsmen in Odisha. So exhibit the skills and experience the exquisiteness in your house at a very affordable price.
