### Product Description

Pattachitra is a unique art form practiced in few parts of our state. This exquisite art form is taken up to another level by blending it with glass bottle. This beautiful bottle having a dancing lord Ganesha imprinted on it adds a serene beauty to the waste glass bottle. This is not just the mixture of creativity with skill but also a harmonic combination of nature and art. The bright vibrant colours along with the jolly pot bellied Ganesha will not just enhance the aesthetics of your office or house but will also hike the spiritual level of your surroundings. So bring this bottle home to create an impression on minds of the spectators.
