### Product Description

Lord Krishna is the eighth incarnation of the preserver and protector of the Universe Lord Vishnu. During his life time on Earth he led a life just like a normal human tied with strings of love, affection, care and even experienced every humanly emotions such as pain, grief, happiness, sadness, etc. Here three important persons of Lord Krishna's life are depicted in a beautiful manner as a pattachitra over a glass bottle. It's a beautiful mixture of culture, creativity, skill and nature. The transformation of this waste bottle into this amazing masterpiece is indeed appreciable. Here lord Krishna is presented along with his best friend Sudama, his elder brother Balaram and his love Radharani. So grab this captivating art work for your house or office at an affordable price.
