#### An adorable depiction of mother and child:

- The above statue represents the affectionate bond of a mother with her child. A beautiful expression of the joyous of a mother playing with her child in the statue by the artisan through his chiseling.
- The statue is standing on a flower-adorned pedestal for better stability on the ground holding her child.
- It is an artisanal brilliancy that has been chiseled over a stone, with depth and detail of the womanhood.

#### Suggestion to place the delightful decorative stone statue :

- As its statue represents the motherly bond, using it in your interior design of the hotel, home or palace will be an adorbs idea.
- It can be installed under the lamp of the park, garden, landscaping, in the center of the fountain, and swimming pool.

- Give your entrance a classic touch by placing it on each side of your home, restaurant, park, or garden.
- You can opt for this one, for gifting, unlike the other spiritual sculpture to your loved one.

**Tips to follow while cleaning the decorative stone:**

- The appealing sculpture is made out of durable materials like soapstone.
  - Sandstone is weatherproof, low maintenance, and non-porous material.
  - So the cleaning would not take much attention, using a cloth or broom over the surface is enough.
  - The cleaning should be done every other day, so that dust wouldn't accumulate on the surface of the decorative stone sculpture.
